

GOVERNMENT OF KERALA

No. 418 /Press/CMO/24

Pinarayi Vijayan
CHIEF MINISTER

08 May, 2024

Message

I am happy to note that the Association of Kerala Medical Graduates, the alumni organization of physicians of Kerala origin in North America and Canada, is planning to bring out a **souvenir** in connection with the Annual Convention this year.

I hope that the souvenir would provide an excellent opportunity through various genres of writing. I wish all the very best for the convention and to the future endeavours of the Association.

My best wishes.

Pinarayi Vijayan

The President
AKMG
