

With best compliments from

Best Wishes to AKMG

Dear Friends,

The foundation of AKMG has been built, day by day, year after year, with the hard work of many volunteers. Their effort has truly been for the greater good. They have enabled us to realize a strong community which can serve as a reference point for future generations.

Our sincere thanks and deep appreciation go out to all who have shared in this important work. We thank them for their vision, dedication and action. All of us can look forward with great optimism as we see the commitment of our membership and the strength of our leadership. Mariamma and I offer you our best wishes and prayers for a most enjoyable convention in Atlanta.

George Thomas, M.D., FACC
Past President AKMG, AAPI
Former Chair, IMG section, AMA
Former Chair, Florida Board of Medicine
