

CME speakers 2024

Dr Najeeb Mohideen, MD, FRCR, FACR, FASTRO, Chairman of RSS Board of Directors
Attending Physician, Radiation Oncology
Northwest Community Hospital, Arlington Heights, IL, United States

Dr. Najeeb Mohideen MD is a Board Certified Radiation Oncologist at Northwest Community Hospital, Northshore University Health System, IL, USA. He completed his FRCR in Clinical Oncology from the Royal College of Radiologists, UK, and a residency in Radiation Oncology at Loyola University Medical Center (LUMC), Maywood, IL. He joined the faculty of LUMC and was an Associate Professor in Radiation Oncology prior to joining Northwest Community Hospital in 2005.

Dr Mohideen holds many National leadership positions in Radiation Oncology. He is the current President of the Radiosurgery Society. He is Chair of the Practical Radiation Oncology (PRO) Track for the American Society of Radiation Oncology (ASTRO) Education Committee, Chair of the ASTRO Payment Reform Work Group, and the Senior Editor of ASTROnews. He is a Fellow of the American Society of Radiation Oncology and the American College of Radiology. He was awarded the ASTRO Gold Medal in 2023 for outstanding contributions to Radiation Oncology.

Dr. Nigil Haroon MD, PhD, DM, MBA, FRCPC

Dr. Nigil Haroon, MD, PhD, is the Head of the Division of Rheumatology at the University Health Network and Sinai Health. He is an associate professor of medicine and rheumatology at the University of Toronto and a Senior Scientist at the Krembil Research Institute and the Schroeder Arthritis Institute, a state-of-the-art research facility in Toronto. He has held multiple board and leadership roles including being Immediate Past President of the Canadian Rheumatology Association, Vice-Chair of the Spondyloarthritis Research and Treatment Network (SPARTAN), Co-President of the International Spondyloarthritis Congress (Belgium).

Dr. Haroon is an internationally renowned clinician scientist in the field of Ankylosing Spondylitis (AS). He is well published in this area and has been an invited speaker in several international meetings. Dr. Haroon also serves on the board of the Spondylarthritis Research and Treatment Network (SPARTAN) as well as on the Medical and Scientific Advisory Boards of the Spondylitis Association of America and the Canadian Spondylitis Association. Dr. Haroon has won several awards including the Vanier Scholarship and the Jane Bruckel Award of the Spondylitis Association of America.
